Sanctions

No (re)insurer shall be deemed to provide cover and no (re)insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

Rights of third parties

A person who is not a party to this contract has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this contract but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

Our rights

We may take any action **We** consider necessary to enforce **Your** rights or **Our** rights under this insurance. If **We** make any payment under this insurance, **We** will be entitled to all **Your** rights and remedies against any party and will be allowed to sue in **Your** name at **Our** own expense.

You must provide all information and documents and give to **Us** all such assistance as **We** may require to secure such rights and remedies.

For example, **You** must not enter into any contract that limits, restricts, waives, or otherwise impairs **Your** right to recover from anyone who may be liable to **You** for a loss that is otherwise covered by this insurance.

This insurance does not cover any loss where at the time of the loss **You** are a party to an agreement that limits, restricts, waives, or otherwise impairs **Your** right to recover damages from a third party or third parties in respect of the loss.

We will be entitled to all recoveries from third parties until the amount of **Our** payment under this insurance has been satisfied in full, plus any entitlement to any earned interest from the date of

payment of a claim, before any monies are paid to **You** for the uninsured loss, if any.

Your Horse	means the Horse, pony, donkey or other equine named on the Certificate of Insurance under Your Horse's Details .

General Conditions

1. Conditions of the **Policy** - **You** must keep to the General Conditions and Special Conditions to have the full protection of the **Policy**. If **You** do not, and the Condition **You** have not kept to relates to a claim, **We** may refuse or reduce the amount **We** pay under the claim.
2. Caring for **Your Horse** - Throughout the **Period of Insurance**, **You** must take all reasonable steps to maintain **Your Horse**'s health and to prevent **Injury**, **Illness** and loss.
 - a) **You** must provide routine or preventative treatment normally recommended by a **Vet** to prevent **Illness** or **Injury**.
 - b) **You** must arrange and pay for **Your Horse** to have and to receive any preventative or routine care normally recommended by a **Vet** to prevent **Illness** or **Injury**.
 - c) **You** must arrange for a **Vet** to examine and treat **Your Horse** as soon as possible after it shows **Clinical Signs** of an **Injury** or **Illness**. **You** must follow the advice and recommendations of the treating **Vet** so as not to prolong or aggravate the **Illness** or **Injury**. If **You** do not follow the **Vet**'s advice **We** may refuse or reduce the amount **We** pay relating to that **Injury** or **Illness**. If **We** decide, **You** must also take **Your Horse** to **Our Vet**.
 - d) **You** must arrange and pay for **Your Horse** to have an annual dental examination carried out by a **Vet** or a qualified equine dentist. Any treatment recommended as a result of the dental examination must be carried out within the timescales recommended by the **Vet** or dentist.
 - e) **You** must keep **Your Horse** vaccinated against tetanus and equine influenza. If not, the **Policy** will not cover any costs relating to these **Illness**(es).
 - f) **You** must follow a veterinary recommended worming programme for **Your Horse** and **You** must keep a record of the dates **Your Horse** was worm egg counted and/or wormed and the wormer used. The **Policy** will not cover any costs that result from **You** not following the worming programme.
 - g) **You** must make sure anyone **Riding Your Horse** has the experience to ride it and is able to ride it. They must only use **Your Horse** for the activities listed in the **Class of Use** **You** have chosen, which are shown on **Your Certificate of Insurance**.
3. Required Information – When **You** make a claim **You** agree to give **Us** any information **We** may reasonably ask for. **You** must send **Us** a claim form that has been fully completed, any required supporting documents and **We** will then write to **You** with **Our** decision.
4. **Vet's** Information - **You** agree that any **Vet** has **Your** permission to release to **Us** any information **We** ask for about **Your Horse**. If the **Vet** makes a charge for this, **You** must pay the charge. **We** will provide any information to a **Vet** who has treated or is asked to treat **Your Horse** any information about **Your** insurance.
5. Other insurance – If there is any other insurance under which **You** are entitled to make a claim **You** must report the incident to that insurance company and tell **Us** their name and address and **Your** policy and claim number with them. To the extent permitted by law, **We** will only pay **Our** share of the claim.
6. Claims, Paid direct to **Vet** - If **We** agree for a claim payment to be paid directly to **Your Vet** and **You** allow this, then if the **Vet**, who has treated **Your Horse** or is about to treat **Your Horse**, asks for information about **Your** insurance that relates to a claim, **We** will tell the **Vet** what the insurance covers, what **We** will not pay for, how the amount **We** pay is calculated and if the premiums are paid to date.
7. Claims, **Vet** fee charges - If the **Veterinary Fees** **You** are charged are higher than the **Veterinary Fees** normally charged by a general or referral practice, **We** reserve the right to request a second opinion from **Our Vet** as to whether the fees are reasonable. If **Our Vet** does not agree that the **Veterinary Fees** charged are reasonable **We** may decide to pay only the **Veterinary Fees** usually charged by a general or referral practice in a similar area as determined by **Our Vet**.
8. Claims, Over Treatment - If **We** consider the **Veterinary Treatment** **Your Horse** receives may not be required or may be excessive when compared with the **Treatment** normally recommended to treat

the same **Illness** or **Injury** by general or referral practices, **We** reserve the right to request a second opinion from **Our Vet**. If **Our Vet** does not agree that the **Veterinary Treatment** provided is reasonably required **We** may decide to pay only the cost of the **Veterinary Treatment** that was necessary to treat the **Illness** or **Injury**, as determined by **Our Vet**.

9. Claims, Settlement - When **We** settle **Your** claim **We** reserve the right to deduct from the claim amount any amount due to **Us**.
10. If **Your Policy** is cancelled or comes to an end for any reason all cover will stop on the date the **Policy** is cancelled/ends and no further claims will be paid. If a section of cover is removed from **Your Policy**, all cover in that section will stop on the date the section is removed.
11. Exclusions can be placed on the cover for **Your Horse** due to its history and these tell **You** what cover is not provided under **Your Policy**. An exclusion can be temporary or permanent. If the exclusion is temporary, upon request **We** will tell **You** under what circumstances **We** will reconsider the exclusion and what information **You** will need to provide. **You** must pay for the cost of this information. Please contact British Pet Insurance Services if **You** wish to discuss any exclusions on **Your Policy**.
12. **Class of Use**
 - a) **You** must, always, insure **Your Horse** in the **Class of Use** which covers all the activities that **Your Horse** is used for. The activities **Your Horse** is covered for are stated on **Your Certificate of Insurance**. **Your Policy** does not cover any **Illness**, **Injury** or incident which:
 - Happens when **Your Horse** is being used for an activity which is not covered by **Your Policy**, or
 - Is in any way related to **Your Horse** carrying out an activity that is not covered by **Your Policy**. For example (but not limited to) - the Horse goes out hunting and is found to be lame the following morning. If the **Policy** does not cover hunting, **We** will not consider any costs for the lameness.
 - b) If an activity is listed on **Your Certificate of Insurance**, **Your Policy** provides cover when **Your Horse** is being transported by vehicle or warmed up/cooled down for the purpose of that activity. For example (but not limited to), if cross-country is listed, **Your Policy** provides cover when **You** are transporting **Your Horse** by vehicle and warming it up/cooling it down for the purpose of cross-country. **Your Policy** does not cover any **Illness**, **Injury** or incident which arises from the transportation or warming up/cooling down of **Your Horse** for an activity which is not listed on **Your Certificate of Insurance**. The only exception to this is if **Your Horse** needs to be transported to a veterinary practice; **Your Policy** will cover **Your Horse** during transportation for this reason.
 - c) **You** can reduce the **Class of Use** at renewal only.
 - d) **You** can increase the **Class of Use** at any time.
13. **You** must at all times insure **Your Horse** for its current **Market Value**. It is **Your** responsibility to ensure the **Sum Insured** **You** have chosen, and **We** have agreed, for **Your Horse** is kept up to date on **Your Policy**. **You** must review the **Sum Insured** on a regular basis to ensure it accurately reflects the **Market Value** of **Your Horse** as this can change over time. In the event of **Your Horse**'s death **We** will pay the **Market Value** or **Sum Insured** whichever is less. If the **Market Value** at the time of death is lower than the **Sum Insured** shown on **Your Certificate of Insurance**:
 - **We** will only pay the **Market Value**, and
 - **We** will not provide any refund of premium for the difference between the **Sum Insured** and the amount **We** pay.
14. If **Your Horse** is on loan to **You**:
 - a) Once **Your** application is finalised **We** will write to the owner of the horse. **We** will confirm the cover in place and advise any claim settlement for Death, Theft or Straying or Permanent Loss of Use will be paid directly to **You** and not the horse's legal owner, regardless of any arrangements stated in the **Loan/Lease Agreement**.
 - b) If **You** submit a claim for Death, Theft or Straying or Permanent Loss of Use, **We** will write to the owner of the Horse to advise the claim has been submitted.

15. **Your Residence** – **You** and **Your Horse** must live in the **UK**. If **Your** address changes, **You** must advise **Us** as soon as possible as this may affect the insurance cover provided.

16. **Fraudulent Claims**

- a) If **You** make a fraudulent claim under this insurance contract, **We**:
 - i) Are not liable to pay the claim; and
 - ii) May recover from **You** any sums paid by **Us** to **You** in respect of the claim; and
 - iii) May by notice to **You** treat the contract as having been terminated with effect from the time of the fraudulent act.
- b) If **We** exercise **Our** right under clause a) iii) above:
 - i) **We** shall not be liable to **You** in respect of a relevant event occurring after the time of the fraudulent act.

17. **Transferring Insurance** – This insurance is not transferrable.

18. **Your Age when cover starts** – **You** must have been over the age of 18 at the time **You** purchased this insurance.

BEVA Guidelines for the Destruction of Horses under All Risks of Mortality Insurance Policy (1996)

This section states the wording as it appears in the British Equine Veterinary Association (BEVA) document, the BEVA Guidelines for the Destruction of Horses Under All Risks Mortality Insurance Policy. Source: BEVA. If **You** require any further information, please go to the BEVA website - www.beva.org.uk

1. BEVA considers that the decision to advise an owner to destroy a horse on humane grounds must be the responsibility of the attending veterinary surgeon, based on his or her assessment of the clinical signs at the time of examination, regardless of whether the horse is insured. The veterinary surgeon's primary responsibility is to ensure the welfare of the horse.
2. BEVA recognises that there may be occasions when the attending veterinary surgeon will advise euthanasia but that such a decision may not necessarily lead to a successful insurance claim. It is important that all parties are aware of this potential conflict of interests before a horse is destroyed. It is the owner's responsibility to ensure compliance with any **Policy** contract with an insurer.
3. As a guide, BEVA considers that an affected horse will need to meet the following requirements to satisfy a claim under a mortality insurance **Policy**: "That the insured horse sustains an **Injury** or manifests an **Illness** or disease that is so severe as to warrant immediate destruction to relieve incurable and excessive pain and that no other options of treatment are available to that horse at that time."

If immediate destruction cannot be justified, then the attending veterinary surgeon should provide effective first aid treatment before:

- (i) Requesting that the insurance company be contacted or, failing that,
- (ii) Arranging for a second opinion from another veterinary surgeon.

4. Insurance companies frequently require some form of examination after death. Owners should be made aware that it is in their best interests to retain the carcass, or appropriate parts, for this purpose. The horse should be positively identified.
5. It should be stressed that in the event of a horse being destroyed on grounds which justify a claim it is still the responsibility of the insured to prove that all Policy Terms and Conditions are complied with and were current at the time of the incident.
