Our Activities We are an insurance distributor, which means the FCA has authorised us to arrange, deal in and assist with the placing and administration of animal related general insurance policies.

If we use the services of another intermediary or distributor to place your insurance, we will advise you of the name of the intermediary or distributor we use and the name of the insurer.

Demands and Needs Consumers

In assessing your demands and needs we will ask you a number of questions. You are therefore required to disclose any matter which you know or ought to know that would influence the judgement of an insurer in deciding whether to insure the risk and on what terms. Our framework, means we have in place written processes, proportionate to the level of complexity and risks related to our products, which we follow stringently, allowing us to ensure any

Financial Strength

We regularly assess the financial strength of the insurers and other intermediaries that we deal with. The process usually involves general observation of the financial ratings applied by independent rating agencies along with other readily available information within industry guides, newsletters, and press releases. Whilst we take care to deal with companies that maintain reasonable solvency margins, we cannot guarantee their financial ability to pay claims.

Money

We will hold money that you pay to us in accordance under a risk transfer agreement with insurers. This will include holding your money in the following way.

An insurer premium bank account in accordance with our agreements with Insurance Companies that transfer the risk of money we receive from customers to them, these agreements deem any money you pay to us, to be received by them and they will bear the risk of any losses in the event that our firm becomes insolvent. This includes claims money or premium refunds we receive prior to being paid to you.

By holding your money in this way, means that in the event that this firm becomes insolvent your money remains protected.

Insurance Premium Tax (IPT)

Your premium detailed in the policy will include IPT at the prevailing rate. Should the rate of IPT be amended by the Government, your premium will be amended by the insurer to reflect the change.

Our Remuneration

We usually receive a commission from the insurance provider with whom we place your business, and this is expressed as a percentage of the premium you pay and in such a case, the commission will be paid to us either when we are in receipt of cleared funds from you

or, when the insurer has received cleared funds from us in respect of the premium due under your policy. The individual agreements we have with each insurer will determine which of the two methods above is used to make this transfer of commission. In addition, we may also charge you a fee for arranging your insurance and full details will be provided to you at outset.
